Theuns Duvenhage

Technical Director

Theuns is employed as a technical director in Zutari's Port Elizabeth office. He is a registered Landscape Architect (SACLAP- Membership No 20138) with a Master's degree in Geography and Environmental Sciences. Theuns specialises in environmental planning and monitoring. He has completed more than 300 projects for the majority of major role players in the province, including Nelson Mandela Bay Municipality, Provincial Department of Environmental Affairs (DEDEAT), SABInBev, Coega Development Corporation (CDC), PG Bison, Eskom, SANRAL, NMU, Transnet Ports Authority and Amatola Water.

Theuns is a Green Star SA Accredited Professional registered with the Green Buildings Council of South Africa and has served stints as council member for the Port Elizabeth Chapter of the Institute of Waste Management of South Africa (IWMSA), Eastern Cape Provincial Heritage Resources Authority (ECPHRA) and IAIAsa. His commitment to tertiary teaching and learning is underscored by his involvement with various tertiary institutions (UNISA, TechnikonSA and Vista University) and recently as part-time lecturer in Environmental Management for the Department of Civil Engineering at Nelson Mandela University (NMU).

Theuns is a registered professional EAP (Reg no 2019/787) with the Environment Assessment Practitioners of South Africa (EAPASA) and serves as an Assessor for the Registration Committee.
