Showing despair through actions

After a set meeting with the Sol Plaatje Municipality in Kimberley did not realise on Friday, 11 April, general workers of the Expanded Public Works Programme (EPWP) emptied two containers of rubbish in front of the municipal building to show their despair. The group was told to be at the city hall by 09:00, but on arriving there they were informed that the meeting was cancelled. For months now they have had grievances on issues including payment and the supply of personal protective equipment (PPE). These workers feel that their concerns are not heard. Another meeting was set to take place on Tuesday morning, 15 April. Photo: Helena Barnard

NEW SCHOOL BAGS BUILDING SELF-ESTEEM

A social impact programme, which has impacted over 7 000 learners over the past five years, has once again made a meaningful difference in the lives of Gr.1 learners. This year, over 2 000 learners across 17 primary schools in the Sol Plaatje and Dikgatlong Local Municipality received brand-new school bags.

This programme, funded by Matla A Bokone Solar, aims to instill pride, boost self-esteem, and instil a spirit of enthusiasm for learning in young learners.

“The excitement on the faces of the learners upon receiving their new school bags was a testament to the significance of this initiative. Matla A Bokone Solar has been a thoughtful sponsor to us. We are grateful,” said Memoria Duze, a teacher.

The initiative also stimulated a local, black woman-owned small, medium and micro enterprise (SMME), creating temporary employment for two youths, thereby empowering learners, supporting local businesses, and

creating job opportunities.

“This aligns with the country’s constitutional commitment to education as a basic right,” said Lesego Mosiane, social performance practitioner for Matla.

Schools benefiting include the Sol Plaatje Primary School, St Peters, Floors North, Progress, Isago, Tshiamo, Molebahangwe, Monsthiwa, Flamingo, Beacon, Tshwarelela, Pniellandgoed, Letshego, Lucretia, Roodepan, Mosalakae, and Delportshoop Intermediate School.
