Dear Potential Interested and Affected Party (I&AP)

RE: MORKELS COTTAGE ENVIRONMENTAL ASSESSMENT AND MAINTENANCE MANAGEMENT PLAN NOTIFICATION OF AVAILABILITY OF DRAFT MAINTENANCE MANAGEMENT PLAN FOR COMMENT

Project Proposal: The City of Cape Town intends to conduct periodic repairs and maintenance work on the 810 mm bulk water pipeline within the Morkel's Cottage area in Strand, Western Cape

Legal Framework: To seek permission for the maintenance activities, a Maintenance Management Plan (MMP) is being developed for the proposed maintenance work in terms of the National Environment Management Act (NEMA, Act No. 107 of 1998, as amended). However, since the project is comprised of maintenance-related activities, it is excluded from the listed activities under the Environmental Impact Assessment (EIA) Regulations, 2014. The final MMP will be submitted to the Western Cape Department of Environmental Affairs and Development Planning (DEA&DP) for approval.

Available Information: The Draft Maintenance Management Plan (MMP) is publicly available for a **30-day review and comment period** between **Wednesday, 9 October 2024 and Monday, 11 November 2024.**

The report can be accessed at the following locations:

- Online on the following URL Link: <https://www.zutari.com/morkels-cottage/>
