Hi Corlie and team,

We received some final comments on the Biodiversity Offset Strategy from Cliff this morning, which required minor amendment of the report.

Please find attached the final version for your records.

Kind regards,

Hi Corlie,

I hope you are well.

Please find attached the final Biodiversity Offset Strategy report for the Macassar WWTW. We have incorporated comments from the City of Cape Town Biodiversity Branch after receipt of their input last week.

Please note that the proposed offset budget will be submitted during the course of the week via our submissions portal (submissions@sasenvgroup.co.za).

Should you have any questions or comments, please feel free to contact us.

Note that we will also still supply you with a quotation for the detailed offset implementation plans for the respective sites.

Kind regards,
