Subject: NOTIFICATION OF SUBMISSION OF AN UPDATED DRAFT ENVIRONMENTAL MANAGEMENT PROGRAMME FOR THE 132 KV TRANSMISSION LINES FOR THE 200-MEGAWATT PHOTOVOLTAIC ENERGY FACILITY FOR SIBANYE GOLD, IN THE GAUTENG PROVINCE
Attachments: Transmission Lines EMP_Stakeholder Notification Letter.pdf

Dear Stakeholder,

Notice is hereby given in terms of the Environmental Impact Assessment (EIA) Regulations, 2014 (amended April 2017), under the National Environmental Management Act, 1998 (No.107 of 1998) ("NEMA"), that **Sibanye Solar PV (Pty) Ltd** has submitted the **Updated Draft Environmental Management Programme (EMPr)** for the 132 kV Transmission Lines for the 200-Megawatt Photovoltaic energy facility for Sibanye Gold for approval, to the Department of Forestry, Fisheries and Environment (DFFE), the Competent Authority.

Zutari (Pty) Ltd has been appointed as the independent Environmental Application Practitioner (EAP) to prepare and submit the **Updated EMPr** to the DFFE.

The **draft Updated EMPr** is available for comment for 30 days until **Monday, the 13 of March 2023** after which the report will be finalised to include any comments received and submitted to the DFFE for decision making.

Should you wish to access the Environmental Management Programme, please follow this link: <https://www.zutari.com/sibanyepv/>

Should you wish to be **registered as an I&AP** or wish to comment, please contact the Zutari Public Participation office as per the details in the notification letter attached to this email.

Kindly extend the notice and invitation to comment to any other I&APs you may be aware of.

Kind regards,
